RE: Public Records Act Request Number 2019-02421

Dear Mr. Free:

This letter is in response to your correspondence dated October 10, 2019, which was received in the Attorney General's Office on October 10, 2019, in which you sought various records pursuant to the Public Records Act as set forth in Government Code section 6250 et seq.

Specifically, you requested:

*"All communications with Pacific Gas and Electric or its agents sent or received on or after September 1, 2019, regarding PG&E's decision to begin forced blackouts or power outages beginning on or about October 9, 2019."*

We have contacted knowledgeable persons and searched for records in logical places within the Department, including the Executive Office, to locate documents responsive to your request. We located no responsive documents.
